This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, co-curricular provision and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

Part A: Curriculum music

This is about what we teach in lesson time, how much time is spent teaching music and any music qualifications or awards that pupils can achieve.

Our music curriculum is published on our website and can be found here: <https://www.whiteheath-jun.hillingdon.sch.uk/music-1/>

Our music curriculum is informed by the model music curriculum (DfE – published March 2021)

Opportunity to enjoy live performance at least once a year	<p>Children do have the opportunity to enjoy a live performance – the Christmas panto/ music ensembles, but more could be done to expose them to a live group of instrumentalists (orchestra/ jazz group etc) We use digital recordings of group performances to enhance music assemblies, but it would be more beneficial for the children to witness a performance live. More research to be done into other opportunities, such as seeing an orchestra.</p>	<p>Look into more opportunities for professional musicians/ groups to perform for children to give them an experience of live music.</p>	<p>HW to research groups who could come into school and offer a 'performance'.</p>	<p>By end of Summer 2026.</p>
