

### English

The main texts we will be studying this term are:  
The Miraculous Journey of Edward Tulane- A wonderful story following the adventures of a toy rabbit.  
Poetry – Hot Like Fire and Other Poems – Valerie Bloom -  
The book's content covers issues from global warming to themes such as bumblebees.

### Science

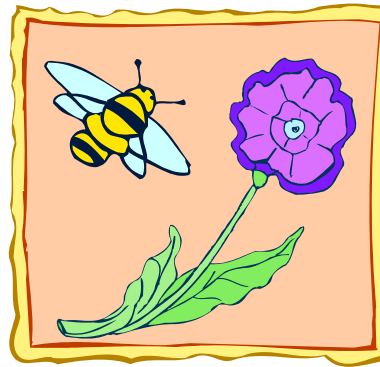

We have two topics this term:

- Sound – How sound is made
- Group and classify living things

### Maths

- Number - Multiplication and Division  
Multiply two digit and three digit numbers by a one digit, factor pairs
- Measurement- Length and perimeter  
Measure in kilometres and metres, perimeter of rectangles and rectilinear shapes.
- Number - Fractions  
Equivalent fractions, Fractions to calculate quantities, and fractions to divide. Add and subtract fractions with the same denominator.
- Decimals  
Decimal equivalents of any number of tenths or hundredths, dividing a one or two-digit number by 10 or 100.
