Science Long Term Plan 2026-2027

Year Group	Autumn		Spring		Summer	
3	Rocks Fossils Soils	Skeletons Movement	Nutrition and Diet Food Waste	Forces & Magnets	Light	Plants (A) Plants (B) Biodiversity
4	Electricity	States of Matter	Sound Energy	Group and Classify Living Things (Data Collection A)	Habitats Deforestation (Data Collection B and C)	Digestive System Food Chains
5	Forces	Space Global Warming	Properties of Materials Reversible and irreversible changes	Animals including Humans Plastic Pollution	Life Cycles	Reproduction A Reproduction B
6	Electricity Renewable Energy	Living Things and their habitats	Light Light Pollution	The Circulatory System Variation Adaptations	Diet, drugs and lifestyle	Fossils Themed Projects (ready for Year 7)
