

Year 5 Newsletter 13.2.26

Dear Parents/Carers,

We hope you have had a lovely week.

Next Week

After half term, the children will be continuing with their Multiplication and Division unit in Maths.

In English, we will be finishing our Job Description based on The Pearl Diver.

In Science, we will starting a new unit called 'Animals including humans'.

Homework

Please encourage your children to do their homework independently and if they have problems to come and see their maths teacher before the weekend so they can 'give it another go' over the weekend before it is due in on the Monday. Thank you.

Homework will be handed out on a Tuesday and returned on the following Monday.

There is a sheet of work for English, the usual spellings and maths set by your child's maths teacher

Please encourage your child to use Times Table Rockstars regularly to improve their fluency with multiplication.

Reading

Please ensure your child's Reading Record is signed by an adult. Children should be reading every evening for at least 15 minutes and, where possible, to an adult, although we appreciate that some children like to read independently and quietly sometimes. This is fine if they are proficient readers. All books can be changed during the class Library Session.

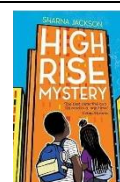

Notices and Reminders

We have arranged a trip to the Mosque to embellish our learning about Islam this term. If you are free on March 5th in the morning, we would really appreciate some help. Please email your class teacher if you are free. Thank you to those of you who have offered to help. We will be in contact after half term to confirm.
