

Year 5 Newsletter 07.11.25

Dear Parents/Carers,

We hope you have had a great week. We have had another successful week with the lovely children of Year 5. We are so impressed with how the children have come back after a week off, raring to go and showing us they are ready to learn, they really are such a wonderful group.

Next Week

In Maths, we will be continuing with statistics

In English we will be continuing with our News reports, the children have loved being reporters this week...

You could support at home by discussing anything to do with the news and how reporters use formal language, maybe they could tell you about their day in the style of a news report....

In Science we will be looking at water resistance, continuing our work on Forces

Homework

Please encourage your children to do their homework independently and if they have problems to come and see their maths teacher before the weekend so they can 'give it another go' over the weekend before it is due in on the Monday. Thank you.

Homework will be handed out on a Tuesday and returned on the following Monday.

There is a sheet of Commas work for English, the usual spellings and maths set by your child's maths teacher

Please encourage your child to use Times Table Rockstars regularly to improve their fluency with multiplication.

Reading

Please ensure your child's Reading Record is signed by an adult. Children should be reading every evening for at least 15 minutes and, where possible, to an adult, although we appreciate that some children like to read independently and quietly sometimes. This is fine if they are proficient readers. All books can be changed during the class Library Session.

Notices and Reminders

Please make sure that your children have a **full PE kit** in school all week. This is separate to kits they may bring in for after school clubs. These should be brought in in a separate bag. Thank you.

Book Recommendation

This week, Ms. Prioli recommends poetry by Benjamin Zephaniah
