

Year 6 Newsletter 15.05.26

Dear Parents/Carers,

We hope you are well and have all had a good week. This term's curriculum map (with more information about topics covered) can be found on our website on the 'curriculum' tab, then 'curriculum overview'.

This Week

Well done to all the children this week. They have shown commitment and resilience in their approach to the SATs and worked really hard over the last few months. It was clear this week that they have all tried their best to show off all their fantastic skills. We would also like to thank you for your support during this time with homework. We are sure they will be proud when they receive their results, as they deserve to do well!

Next Week

Next week we will be carrying out auditions and starting rehearsals for our year 6 show. In science, we will be learning more about adaptations and we are beginning work on designing teddy-bear waistcoats as part of our DT unit. They will also need to make sure that they are in smart school uniform on Thursday (including jumpers or cardigans please) as school photos are being taken.

Charlie and the Chocolate Factory

We were delighted by the enthusiastic response that the children have shown to discovering that our year 6 play is going to be 'Charlie and the Chocolate Factory! We have sent them home with an audition piece to practise if they wish to have a speaking part in our upcoming show. We will be holding auditions on Monday for all speaking parts and hope that as many children as possible will audition. All of the year group will be involved whether through having a speaking part, singing, dancing or helping with stage management. Performances will be on 30th June and 2nd July so please put the dates in your diary.

Leavers' Hoodies

We will soon be sending out a link for you to order leaver's hoodies for your children should you wish too. Please look out for this as there will be a two-week window in which to order.

Homework

Next week's homework will cover the next two weeks and will be DT based so a bit more practical than usual! More details will come home with your children on Monday.

Reading

Please ensure your child's Reading Record is signed by an adult each week. Children should be reading every evening for at least 15 minutes and, where possible, to an adult. The children should record at least 5 entries per week, which should include the **page numbers they have read each time** and the title of the book they are reading. Please ensure that your child is recording the page numbers they

Book Recommendation

Luke is obsessed with the idea of world records and has a whole list of records he would like to break including being the world's oldest man – even though he knows he has to wait a few years for that one! When Luke's tiny, village 'Port Bren' is in danger of being destroyed to make space for an incinerator plant, the only way to stop it is by making the village famous. Luke thinks that breaking 50 records in a week should solve the problem.

With the assistance of adjudicator Simon and some rather unusual village characters with dubious talents, Luke sets to work!

This is unusual and hilarious story which will keep you turning the pages and laughing till the very end.

Have a lovely weekend,

Miss Lawrence, Miss Jackman, Mr Goodchild
