Dear Parents/Carers

We have survived the week's weather! We are very fortunate to have air conditioning units in each classroom so we hope the children have been more comfortable whilst learning this week! This term's curriculum map (with more information about topics covered) can be found on our website on the 'curriculum' tab, then 'curriculum overview'.

## This Week

On Tuesday afternoon, the children were involved in structure making in our whole school DT afternoon! The children worked hard to produce some creative 'wardrobes' linked to the text 'The Lion, the Witch and the Wardrobe'. Thank you for your support with sending in materials for the children to use.

It was good to see some of you at our 'open afternoon' event on Thursday. The children now know which class they will be in next year and who their Year 5 teacher will be!

## Next Week

In Maths, the children will be finishing off the topic on Shape and looking at symmetrical patterns.

In English, we will be writing a character description based on one of the giants from 'The BFG' by Roald Dahl.

## Homework

New spelling words and English homework will be given out on Tuesday 30<sup>th</sup> June for a test and completion by Monday 6<sup>th</sup> July.

## Reading

Reading records should be signed by an adult once a week. The children should record 5 entries per week, which includes the **page numbers they have read each time** and the title of the book they are reading. Please ensure that your child is recording the page numbers they have read each time they read so that we can see how much they are reading at home.

## Notices and Reminders

Please ensure your child's PE kit is in school each day and that all clothes are clearly labelled. Both our PE sessions are outdoors during the summer term.

## Next week's 'special' events

On Monday morning, the whole school will be watching the dress rehearsal of the Year 6 Leavers' performance. They are performing 'Charlie and the Chocolate Factory'.

On Tuesday morning, the children will be spending some time in their new Year 5 class with their Year 5 teacher.

On Thursday, we have British Values Day in school and the children will be learning about democracy. David Simmons MP will be coming into school to give an assembly and the children will be doing various linked activities throughout the day.

Sports' morning takes place on Friday 3<sup>rd</sup> July for the whole school.

Have a great weekend and let's hope for some relief from the scorching temperatures!

Kind regards

Miss Cook, Mr Lewington and Mrs Mendez
