

Year 5 Newsletter 11.09.26

Dear Parents/Carers,

We hope you have had a great week. This term's curriculum map (with more information about topics covered) can be found on our website on the 'curriculum' tab, then 'curriculum overview'.

This Week

This week, the children have been going over our routines and learning how upper school runs. They seem to have settled in very well, long may it continue.

Next Week

In maths, we will be in arithmetic sets for the first few weeks, brushing up important skills (that may have slipped a little over the summer) ready to start our new math sets on 21st.

You could support at home by reminding your children to practice their spelling and read their books.

In English we will be learning about 'The Highwayman', a narrative poem about ... A highwayman.

In Science we will be learning about forces, this week was friction.

In Geography we will be starting our new topic of South America.

Homework

Homework will be handed out on a Tuesday and returned on a Monday each week.

Please encourage your child to use Times Table Rockstars regularly to improve their fluency with multiplication.

Reading

Please ensure your child's Reading Record is signed by an adult. Children should be reading every evening for at least 15 minutes and, where possible, to an adult. All books can be changed during the class Library Session.

Notices and Reminders

Meet the teacher

Meet the teacher will be on Wednesday 16th at 3.45pm in the main hall. If you are unable to attend, the PowerPoint will be loaded onto the site a few days after the event.

Have a lovely weekend,

Ms. Prioli and Mr. Goodchild

Birch (Mr Goodchild) - birch@whiteheath-jun.hillingdon.sch.uk

Yew (Mrs Prioli) - yew@whiteheath-jun.hillingdon.sch.uk
