Dear Parents/Carers,

We hope you have had a super week.

This Week

This week, the children have enjoyed normal lessons with a few rehearsals for our pending harvest show. They have their lines; please help them to learn them over the next few weeks, thank you.

Next Week

In maths, we will be starting our set maths groups and beginning 'Place Value'

You could support at home by reminding your children to practice their spelling and read their books.

In English are learning about 'The Highwayman', a narrative poem about ... A highwayman.

In Science we will be learning about forces, this week was friction.

In Geography we are continuing our new topic of South America.

Homework

Homework will be handed out on a Tuesday and returned on a Monday each week.

Please encourage your child to use Times Table Rockstars regularly to improve their fluency with multiplication.

Reading

Please ensure your child's Reading Record is signed by an adult. Children should be reading every evening for at least 15 minutes and, where possible, to an adult. All books can be changed during the class Library Session.

Notices and Reminders

Meet the teacher

Thank you so much for those of you who managed to get to the 'Meet the Teacher' meeting on Wednesday. It was lovely to meet some of our parents. The PPT will be available on the website on Friday for those who missed it.

Pedestrian Training

The children will be doing their yearly pedestrian training on 9th October, we would very much appreciate a few parents to help us for an hour in the afternoon. If you are free please contact your class teacher. Thank you in advance

Parent readers

Please let us know if you have any time at all during the week to come in and read with the children, we would be so grateful if you could spare a few hours. Again, if you are able, please email your child's teacher.
