Year 3 Newsletter 16.10.26

Dear Parents/Carers,

We hope you've had a great week! 😊

Thank you for coming along to the Parents' Consultation Evenings on Tuesday and Wednesday. It was great to meet you. We really are so proud of how your children have settled into Year 3 and life at the Junior school.

This Week

On Tuesday. children completed their final art piece for the Art Exhibition. We can't wait to see these framed and displayed in the hall for you to look at and purchase should you wish to.

Next Week

In maths, we will be carrying on with our Addition and Subtraction topic.

In English, we will be drafting a formal letter of complaint about an unsafe forest based on the story 'Into the Forest' by Anthony Browne.

Homework

Next week's homework will be English focused.

Homework and spellings will be handed out on a Tuesday and returned on a Monday each week when we will do our spelling test.

Please encourage your child to use Times Table Rockstars regularly to improve their fluency with multiplication.

Please remind all children to complete the 5 spelling sentences.

Reading

Children should be reading every evening for at least 15 minutes and, where possible, to an adult. Please ensure you are signing your child's reading record each week. Children only need to read one big cat book each week. We will be checking children's reading records on a Tuesday.

Thank you so much for your continued support with your child's reading — it really does make a difference!

Notices and Reminders

Stone Age Workshop -
The new date for Stone Age Day will now be **Tuesday 10th November.** Please still encourage your children to dress up for Stone Age Day!

Year 3 Newsletter 16.10.26

Stone Age Clothing What did Stone Age people wear

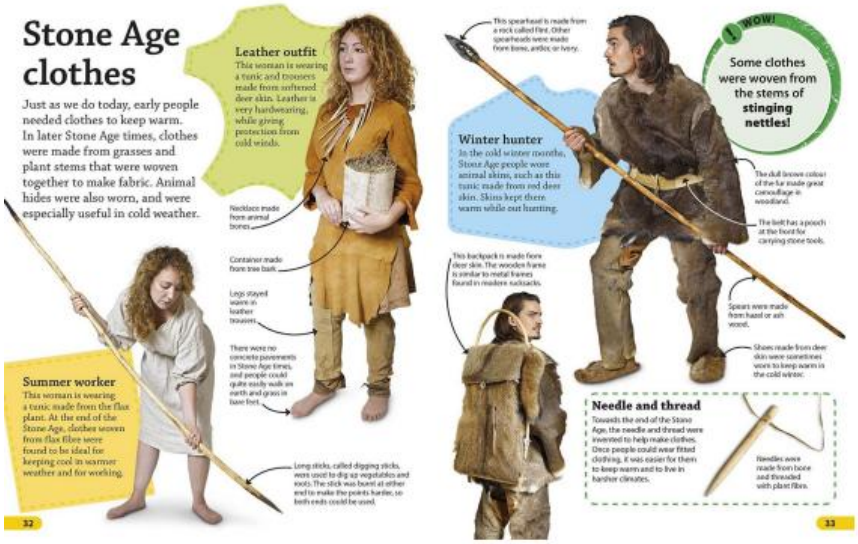

- The weather was extremely cold during the Ice Age.
- Early humans used to hunt animals. They cleaned and prepared the animal skins and then wrapped them around their bodies.
- They also made needles from animal bones to sew animals' skins into clothes.
- They decorated their faces and bodies with paints from natural resources.

Stone Age Jewellery Facts

- The first jewellery was made by humans around 75,000 years ago.
- They strung shells together to make necklaces.
- This jewellery was simple in design.

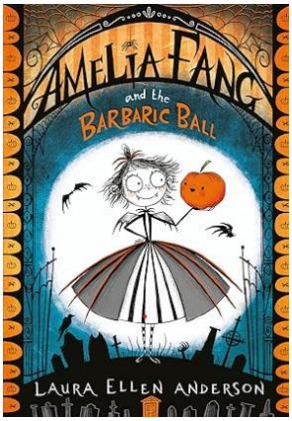

Login details

Children have now been issued with their TT Rockstar logins, so please encourage children to practice their timetables online.

Book Recommendation

This week, we recommend, 'Amelia Fang and the Barbaric Ball' by Laura Ellen Anderson.
